- 1.2 The Council shall seek to provide reasonable facilities to allow anyone who wishes to do so, to record and report on meetings of the Council and its committees in line with this policy.
- 1.3 Reporting and recording is defined as filming, photographing, audio-recording or using any other means of enabling persons not present to see or hear proceedings at a meeting as it takes place or later and reporting or providing commentary on proceedings, orally or in writing as the meeting takes place or later to persons not present.
- 1.4 Reporting or recording is not permitted following a resolution to exclude the public and press (referred to as Exempt Business and relates to personal, confidential, or sensitive information).

### 2. Guidance for members of the public

- 2.1 Agendas for all Council and committee meetings contain information reminding the public present at meetings of the requirements of this Policy and that meetings may be reported and recorded upon.
- 2.2 Members of the public who participate in meetings may reserve the right not to be filmed/photographed.
- 2.3 Those responsible for children or vulnerable adults present at meetings may withhold consent for their being reported and recorded upon.
