Author: Louise Harrison, Town Clerk, Wimborne Minster Town Council

Approved by the Resources Committee 21 March 2023, minute reference RC/2023/083.

Reviewed and adopted by Full Council 14 May 2024, minute reference FC/2024/014.

1. Introduction

1.1 Wimborne Minster Town Council (the Council) recognises the immense value of voluntary and community activity and its contribution to residents' well-being, the local economy and the sustainability of a wide range of services which benefit visitors and people living and working in the town.

1.2 The Council has a commitment to encourage, support and promote volunteer organisations and charities within Wimborne Minster and the following policy and procedures are based on the principles of fairness, responsiveness to local need, generosity and accountability, as supported in the Council's annual Grant Scheme budget.

1.3 Grant requests can exceed the funds the Council has earmarked for this purpose when setting its budget. Council's Grant Scheme comes from the taxpayer funds and a key principle of this policy is to ensure the Council makes informed and fair assessments of relative need and thereby seek to ensure that finite resources are distributed fairly. Any amount applied for that exceeds the Council's Grant Scheme budget will only be approved in exceptional and / or unforeseen circumstances and will require approval by Council.

1.4 The Council's authority to make grants comes from the Local Government Act 1972, s 137 (which allows a local authority to spend a limited amount on activities for which it has no specific power, but which the authority considers 'will bring direct benefit to the area, or any part of it or all of some of its inhabitants') as amended by the Local Government and Housing Act 1989 (which added the requirement that the benefit obtained should be commensurate with the expenditure incurred), and the General Power of Competence (Localism Act 2011).

1.5 Recipients of previous grants should not assume that they will be awarded a grant in future years. Grants will be awarded on the basis of the criteria and assessment process set out in this policy (as amended from time to time) and are awarded at the discretion of the Council.

1.6. Only one grant per applicant will be awarded in a financial year (1st April to 31 March) unless there are exceptional circumstances and will require approval by Council.

1.7 This policy is designed to act as guidance for both applicants and councillors when considering applications.

1.8 Applicants are encouraged to look at alternative sources of funding.

1.9 The Council seeks to provide grants which reflect the ethos of Council's current Priorities (please visit <https://www.wimborne.gov.uk/your-council/council-priorities/> for more information) and enhance the profile and reputation of Wimborne Minster.

1.10 Additionally grant applications should demonstrate value for money and appropriate strong governance – see point 3.1 below for more information.

2. Council's Grant Scheme

2.1 The Scheme is open to grant applications from 1 April to 30 November every year and will be determined by the Council's Committee.

2.2 Any grant applications received for over £5,000 will be determined by Full Council.

- have, in the opinion of the Council, sound governance arrangements in place - for example policies on equality and inclusion covering service users (subject to recognised exemptions) and experienced individuals leading the project,
- have, in the opinion of the Council, sound financial management arrangements in place - for example via appropriate internal controls, insurance and audit arrangements,
- represent good value for money – for example supplemented by other funding sources or collaboration,
